...that
would be totally
awesome!

If only I had a
Multi-Purpose
Maman to help with
my cleaning.

IT'S ALL
THANKS
TO THAT

GRUBBING

But a Multi-
Purpose Maman
costs way too
much.

EVERY

EARN GOES
TO MY

I couldn't
possibly afford
it with the
wages from
my part-

better not
waste

If this

OH, NO! DID

You guys
came from
another

right?

Now, let's
just speak
frankly,
then!

Go on
out and
take a

...cross
two
streets,
walk
past a
lake.

...and
then...

Every now
and then, people
suddenly appear
from other
dimensions.

Because
of these
arrivals, the
Pagan Empire
has set up
stations
specifically
for them.

These
days, all the
dimensions are
unstable!

How did
you...?

I...
I can make

I'm not

However, there's also an additional X-class.

DO I HAVE TO

DAFUQ!

Long
time no see,
Barbelle.

Mizuki!
What brings
you here?

You
snagged
those two
interesting
students
thence to
me.

Once
again, you
own me!

But Barbelle,
who cares about
the graduation
rate when the
survival rate is
below thirty
percent?

That's
the real reason
why there are so
few students in
the 'School of
Sorcery', right?

17

That guy
from the other
dimension saw
right through
my disguise
just now.

Oh,
right!

They are interesting
indeed! One is from
another dimension and
has immeasurable
strength; the other
seems to have a very
unique magic flow.

After all,
I had my magic
perfectly
concealed.

He's not
some ordinary
man! Not
ordinary
at all!

Kaiser, what exactly are those Schools of Knights, Mecha Fighters, and Sorcery?

There's no free lunch in this world.

This explains why so many people were lining up for the other departments, and not a soul applying for the School of Sorcery.

They usually use a great sword or long spear as weapon, cover themselves up with hunk of metal, and gallop all over on their mounts

Knights?

THIS PROFESSION PRACTICALLY BURNS UP YOUR CASH! EVEN THE TRASHIEST HUNK O' JUNK MECHA FIGHTER MACHINE IS STILL BLOODY EXPENSIVE!

THE MECHA FIGHTERS ARE EVEN MORE OVERWHELMING!

I don't get it

As for
the School of
Sorcery, just stay
out of their way!
Even though this
school is totally lame,

...you never
know. The
person you
offend might
be Mizuna's
son!

And if you
offend someone
in each armor,
they're from the
School of Mecha
Fighters. Don't
offend them,
either!

Lila, just
remember
this!

...If you see
someone in
armor, that
means School
of Knights, so
don't offend
them!

You gotta
tell me why you
quit being a normal
person, and instead
became Kii-Ao-More
Reverent!?

Oh yeah,
Lila!

...have
you ever lost
sleep over
taking another
person's
Wu?

Lila,

*Rule Ten of
the Assassin's
Rulebook:*

*...Stay
alert, even
in sleep.*

*I've
never
slept
soundly,
ever.*

*...maybe
you will
no longer
be a true
assassin.*

*If the
day comes
that you lose
sleep because
you killed
someone,*

However,
you'll never
witness it.

Reine...

...I have lost
sleep over taking
another's life.

This punk...
He was just
asking on a
shim.

!?

SHOON!

SHOON!

*I wonder
if that's
fortune
or misfor-
tune?!*

*Ever since
I met Kaiser,
I seem to
be sighing
more.*

Hey! Liola! I thought you left for class!

Yeah, but I ran into some trouble.

Ah-ahh. I'm so hungry!

PLAN 0002 - PG 002

WOW! IT'S BREAKFAST!!

Liola-DaGe~!

What trouble?

Even if it's true, she is one sweet piece of trouble!

Too-bad! She's a girl after all. She was even nice enough to bring breakfast over. How can you call her "trouble"?

C'mon, inside here. What a weirdheart! C'mon, innocent, pure.

ALREADY WISHED

THAT! ALL I SAW WAS
A BLUR AS DAGE
FLASHED BACK
AND FORTH.

You don't look like the type to help a damned in distress or go out of your way, even if it's an act of justice.

Why did you bother helping him?

Initially I wanted to kill those guys, including Purity, to avenge them. That seemed the best way to avoid trouble, but right before I did it,

I recalled that I will kill no more.

I've already eaten.

I will stop by in the afternoon to go to class with you guys!

Yeah, yeah.

DON'T LET OUR BOSS HEAR THAT! IT WOULD BE THE END OF OUR INCOME.

LET'S HURGE DOWN IN THE ANCIENT FORTRESS FOR A WHILE!

THEY CAN'T HANG OUT THERE FOREVER.

KAISER-DAGE!

Food?

Surely, that's not using too much?

You're Mister World's Best Reserve. You should be able to create outside and get us stuff to eat.

B-But...

SFX: BASH

IF THE PRINCIPAL IS OUR PROFESSOR, THE SCHOOL OF SORCERY SHOULDN'T BE SO PATHETIC THEN!

I-That's because the School of Sorcery has only one teacher, and that's the principal of the academy, Principal Bartalis.

What? What? What? What is he trying to do, tear down the dorms?

Does he think the Rosane Academy staff isn't gonna care about this?

He said that conflicts are part of maturing.

But the p-principal told everyone that he wouldn't interfere in conflicts between students.

so even if the whole damn is demolished, the staff will stay out of it.

Your school is really chaotic.

What the heck? Damn this principal!

No wonder the School of Sorcery has been reduced to an ancient relic. And now it's being demolished.

Well, whose fault is it?

You stirred up this mess! Go clean it up!

And how am I supposed to do that?

I, Kallen, am going to pay back those moneybag jerks from the School of Mecha Fighters.

Otherwise, how can I face my dorm-mates if the dorm is destroyed the moment I moved in?

We need a costume that will completely disguise Licia.

Yeah!

Purity, go dig up some costumes now.

Costume?

Liola-DaGa,
you look so
handsome!

Even if I don't need any sense of sight.

OH,
CRUD.
YOU

You can
just call me

Hello darling,

JACKASS

Seems like
those two lads
are way more
interesting than
we expected!

It's their first day of
school, and before they
even went to class, they
destroyed the School of
Sorcery's dorms.

PWA-HA-HA-HA.
IT-IT'S BEEN A
WHILE SINCE I'VE
HEARD SUCH AN
OLD-SCHOOL NICK-
NAME. HA-HA!!

Other Men!

*Should
you be one
to talk?*

Looks like this will be
a fun-filled year.

I-I see. So these two guys have that kind of relationship?

Oh, wow!

COMON HURRY HURRY!

LIOLA, STOP NOW.

The dome's completely destroyed, huh? huh?

THESE ARE MY OLD BROTHER'S CLOTHES. IT'S MY SPECIAL TREASURE. YOU CAN'T SELL THEM!

YOU CAN'T DO THAT!

Actually, I think Kotori really wants to sell off this uniform.

Purify, what are the specialties of the three schools?

Okay, forget about changing. Just wear the dingy school of poverty robe over it!

Otherwise Stone Lady here might refuse to give us tonight.

However, there's only a handful of Dragon Knights. After all, Dragon Knights originated in the Dragon Empire.

But the most famous are the Dragon Knights.

The School of Knights specifically trains Knights, such as Paladin or Dark Knights.

Oh, Little-Dolls, you have no idea?

...and not many exist in Acolasia Academy. The last three I heard, there were only three or four here.

And their power mainly comes from their magic items and martial arts.

Everyone from the School of Knights is really cool and good-looking!

The knights take utmost pride in their honor, bloodline and weapon.

Go on.

What's the meaning behind Class-D or Class-CP?

As for the School of Mecha Fighters, you just had a first-hand experience.

...X, R, B, C, and D. The lowest class is just trash.

Mechas fall into various classes...

...but even a Class-C mecha is considered pretty good.

That was a tragic waste of a Class-C.

However, with a pilot of Jett's ability, it doesn't matter if it's a Class-C or even a Class-D.

EGADS!
IT'S A
DRAGON!

Dragon?

Is it related
to those Dragon
Knights?

Umm,
unfortunately,
you may get to
see that real
soon.

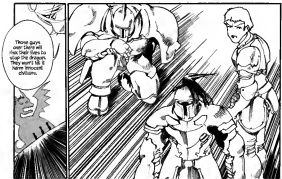

I would
love to see how
cool it is.

I'll bet the
Dragon Knight
who enrolled
this year must
be super-
handsome,
too.

Yes, that's
right. This is my
third time seeing
a dragon. This
white dragon is
the prettiest one
I've ever seen.

WHAT?!

Seems like this
guy will be through
that electric fence
any time.

No.

...would you please?

.....

.....

...and it's made of Adamantium, which is supposed to be the most durable alloy.

I got this brooch on my eighteenth birthday. It has three rubies, a cluster of small diamonds.

WATCH OUT!
INCOMING
DRAGON!

LIOLA,
I LEAVE
THE REST
TO SILVER
MASK!

!?

The
mask...

I was too careless.

Uh-oh, this fellow has wings to fly.

*Even if I
fall off while
in flight, I'll
just get
injured.*

*I
definitely
won't
die!*

*It's
all right.
I won't
hurt you
again.*

*Liola, is
it possible
for you to
quit being
an assassin?*

*And if you
did give up
your life as an
assassin,*

*...what
would you
like to
do?*

*Valiant
master,
please
guide me
along.*

Yeah, what choice do we have? Keep him and invite trouble?

**WHAT?
YOU GUYS
ARE GOING
TO SEND THIS
CHILD BACK?**

Send him
back to them
so there's no
trouble.

A true
heart of
love!

IT IS HERE, THIS CAN BEAN OTHER CHILD DOLL.

EH??

.....

Such a cute
pink doll~

Even in Dragon
Empire, where Dragon
Knights originated,
many knights are never
selected by any dragon
in their whole lives. They
fail to become true
Dragon Knights.

One does not
simply choose to be
a Dragon Knight.

To be a true Dragon
Knight, you must first
be extremely powerful
and able to single-
handedly defeat a
dragon.

And so, a Dragon
Knight's strength
isn't merely derived from
their dragon. They them-
selves are a force to
be reckoned with.

On top of that,
the dragon must first
approve of you.

And then, the dragon will take a piece of scale from the center of their forehead and lodge it into the Dragon Knight's left arm, signifying his vow of loyalty to the Knight. In life or death.

According to the books, once you gain a dragon's approval, you drip your blood on to the dragon's forehead.

...that, once a dragon has taken a master, it will never be able to acknowledge another.

And now you're going to claim...

Oh right.

That Jetter guy
from this morning
is actually from the
Commerce Alliance,
the place that mecha
fighters originated.

Don't ever
leak out that
Liola-DaGe is
actually Silver
Mask.

He is the son
of one of the three
leaders, and he is
overwhelmingly
influential.

Oh.
Come.
On.

.....

LIOLA, I'M
SINCERELY
BEGGING
YOU HERE.

Got it?

Never, ever
tell anyone
that you
know me.

Liola is a Dragon Knight?

Kill No More

...and before I made it to noon today, we offended the young master of the Commerce Alliance,

Good. I met a guy from another dimension yesterday morning, and then we bumped into an X-Class criminal who forced us to enroll in Rezero Academy.

...and finally, even before bedtime, we've stepped on the toes of Dragon King as well.

To top it off, we got ourselves a dragon who acts like a human!

If my mission is correct, you are the one who keeps choosing the normal route.

I say, Licio. There are three kingdoms in this world and you're already offended two of them!

Even if you wanted to make a run for it, you have nowhere to go.

OKAY,
SO MAYBE
YOU ARE RIGHT,
BUT YOU SEEM
TO HAVE AN
UNEASY WAY OF
ESCALATING
EVERY
SITUATION.

YOU wanted to
capture Mineral. YOU
got me to put Jetbar
in his place.

Finally, YOU
fired the shots
that lured the
dragon over.

Bad news?
Hah. What's worse
than sitting in a
semi-demolished building,
stuck in an unsolvable
situation, with a dragon
in human form?

**BAD
NEWS,
KAISER,
LIOLA!**

...THEY
WILL COME
THROUGH THE
SCHOOL, AND
KILL SILVER
MASK ON
SIGHT.

THE SCHOOL
OF KNIGHTS
HAS ISSUED
AN ULTIMATUM
TO SILVER
MASK. IF THE
SACRED WHITE
DRAGON
IS NOT
RETURNED,

Just return him.

Sacred White Dragon?

...or will we be in deeper shit. I've actually return him, and they discover that the dragon has already acknowledged a master?

Well, I'd like to do that too, but I've been wondering. Will the consequences be worse if we keep the dragon.

I'm sorry. Pretend that I didn't say that.

As it is, I guess I'm forced to do something I don't want to!

I've once read in a book...

...that Dragon Knights live by a strict code of honor. They are respectable people, who hold the dragons in high regard.

If they learn of the acknowledgement, they will gladly give their blessings to the dragon.

No, he'll be pursued by Mizurui if he escapes Acadave Academy. In comparison, the School of Knights is easier to deal with.

Do you mean, go on the run?

Something that Kazer-Daze would hate to do!

Are you planning to, er, "retire" there?

.....

Well, it wouldn't be the first time.

DO YOU PLAN TO KILL EVERY KNIGHT IN THE SCHOOL JUST TO RUN THIS UP THE TWO OTHER SCHOOLS? DON'T LOOK THE OTHER WAY, DO YOU WANT TO END UP KILLING EVERY SINGLE SOLD IN THE ACADEMY?

STOP CONSIDERING THAT! YOU'RE EVEN LESS REALISTIC THAN FORTY!

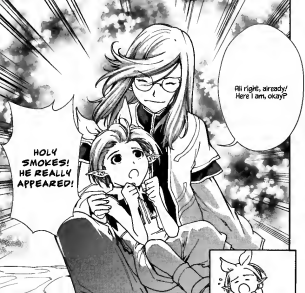

WE'RE GONNA GET SLAUGHTERED IF YOU DON'T APPEAR! IF THE OTHERS BUTCHER US, YOUR IMAGE WILL REALLY SUFFER SINCE YOU'RE THE ONE WHO LET US OFF!

MIZURUI-DAZE, YOU ARE AROUND, RIGHT? TIME TO SAVE US!

Since we can't afford to cross Mizurui or the School of Knights, we can only...

Meh! I have a different plan.

MIZURUI-DAZE, COME ON OUT AND SAVE US!

You fellows
are making talking
sacks of trouble,

This is a
huge problem
indeed.

Since you
appeared of your
own free will, you
might as well help us
solve this huge
problem.

...but at least you
were smart enough
to come up with that
Silver Mask identity.

However, Silver
Mask must lay
low in the near
future.

...or else the knights
will do everything they
can to retrieve you.

I had a talk with the
principal. He will take
care of this incident
and hush it up.

...and thank the
principal instead,
and remember to
repay him—

Give your
gratitude.

**M-MISER-
PAPA!**

No big deal.

You hearless dad! You don't give a damn about your precious daughter!

...your kid was abducted.

Hey! Liola.

Our pink-eyed cutie isn't a boy, but I didn't see any girl parts, either.

Uhh, Kaiser, um, I took a peek just now.

...your son's got no junk!

WHAT? FREAKING HELL, LIOLA.

I heard that
she confined the
dragon for several years,
and it still wouldn't
acknowledge her.

The dragon
acknowledged
Liola, so that's
that. Even if it's not a
good idea, there's
no alternative.

Doesn't that
mean that she's incapable?
She should've given
others an opportunity
long ago.

The Dragon
Empire Princess is
still upset, though.
This dragon originally
belonged to her.

**SHUT
UP!**

It looks like you're
bottled up your anger
for a long time over the
way the Dragon Empire
confined the Sacred
White Dragon.

After all, you know this
dragon's father—

Unless you want
to bring disaster on
Liola, you'll need to see
the Dragon Empire princess
personally and explain
that you're already
chosen your master.

You are the
Sacred White
Dragon, after all.
You mean a great
deal to the Dragon
Empire.

I'm not trying to
separate you from
Liola. We just need
to settle some
issues.

Do you
understand,
Little White
Dragon?

...It has to
do with the white
Dragon's father,
the Dragon of
Darkness!

Perhaps...

Why does
the almighty
Sacred White
Dragon treat
Lola as the
father?

I just don't
get it!

After all, it's
underable that
Lola has a very
dark side.

Normally, the
Sacred White Dragon
is the most proud of
all the Dragons.

When there's a game in
progress, it's more fun to
play than watch!

You know, those
two brats didn't let an
old man down. They are
truly entertaining.

So that's it.

But, Bartolo,
I believe that you
will make our efforts
worthwhile.

That's
for sure.

In fact, they are
too entertaining now
we have to clean up
their mess.

Mr.
Principal,

*If you don't resolve
this issue, the Dragon
Empire will definitely
take action.*

Dragon Empire

Princess Lanski Dragon

...since the Sacred White Dragon has already acknowledged a master,

Princess,

...you must be graciously childish, and win like will.

...I still want to meet the master. I want to test if he is qualified as a Dragon Knight.

If I'm supposed to give up the Sacred White Dragon,

Well, that is...

Is it the same person who was hearing the music the other day?

That person... who exactly is it?

How else can I answer to my father, the Emperor?

I want to meet him.

As for meeting Silver Mask, Sir—

Naturally, we will send someone to explain this to the Dragon Emperor. You don't have to worry about this, Princess.

This guy is from another dimension,

Oh, Utsa-DaDa you mean you didn't know?

...he just got here yesterday.

Kainer.

Why is the School of Sorcery in such a pathetic state?

A long time ago, sorcerers were also known as magicians.

It resulted in the general term - sorcerers.

"Magician" refers to people who can manipulate magical elements. After some time, however, some people misunderstood and thought that magicians must have supernatural abilities.

However, as technology improved, the sorcerers began their decline.

When I ask Purity questions, she answers surprisingly, but she always misses the point.

When I ask Kaitani questions, he regrets with half thought out answers, because he's too lazy to consider.

Mmmm?

Another example is that it's more efficient to go to a hospital and soak in the healing magoun for a day than it's to go have a sorcerer heal your wounds.

Technology is really advanced now. For example, you use that blast from a mech fighter's cannon is much more powerful than most magic spells.

What if you spent your life learning sorcery only to find out that you could have used that time to raise in cash and buy all sorts of magoun (which work faster and are more efficient)? I'm telling you, that feeling sucks big time.

I AM THE ONLY
PROFESSOR
OF THE SCHOOL
OF SORCERY!
AND FINALLY, I AM
ONE OF THE MOST
POWERFUL
SORCERERS
IN THE WHOLE
AGALANE EMPIRE!

I AM THE
PRINCIPAL
OF AGALANE
ACADEMY,
BARBALIS.

WAH!!

Mr. Principal,
weren't the last
period cancelled?

W-what brings you
here, sir?

OH!

Ha ha ha! This
bird sure is
perceptive.

No wonder!
Since we first
met, I felt your
extraordinary aura
and saw that you
had the poise of a
great person,
sir.

I've been
wondering,
"Where did such
an amazing person
come from?" Now I
see you are the
most famous
sorcerer.

I see - Mr.
Principal.

...Agalane
Academy's
principal, Mr.
Barbalis! I've
long wanted
to meet you.

You will have
your entrance exam
at sports field 20
tomorrow afternoon at
one o'clock sharp.

I've come
to inform Silver
Moss,

.....

DEAL.

H-HOLD ON!

Great!

Let me tell you the strengths of Dragon Knights...

...I see, go ahead and name your children now.

No problem.

...do give this lil' pink sweetie a name.

?

I'd like Utsu-Chan!

I checked
my book, The
Glory and Pride of
Dragon Knights.

It's not like he's
retreating out.

It said that
dragons are
senile before
they come
of age.

...why not call him
Li-Le-Bao?

Since his dad is
named Liola,

How about
Pine-Eyed White
Dragon?

YOUR
NAMING
ABILITY IS
AS BAD AS
MIZERU'S!

Sure.

T/W LILBAO IS A BRAND OF PICKY DRINK.

Let's call him
Bao-Li-Long!

I got it!

HE'S
NOT SOME
DRINK! HOW
CAN YOU
CALL HIM
LEBBAO?

NO YOU
CAN'T!

Bao Bao means
baby, Li From Liola,
and Long means
dragon. How 'bout
that? Great fit?

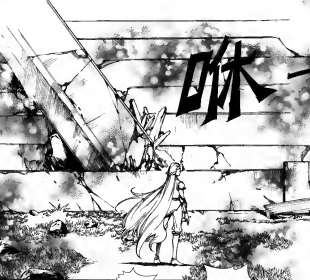

T/W BAO-LI-LONG LITERALLY MEANS PEEBYSINE

*The next
afternoon,
one o'clock,
sports field.*

*You
mustn't
injure the
Dragon Knight
badly, or things
will escalate.*

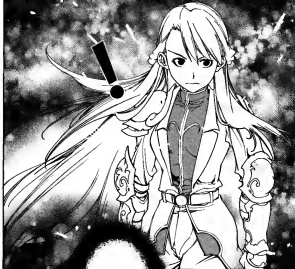

5/18, 5/19/20

EH?!

WOLLA GO FOR IT!

Anise?!

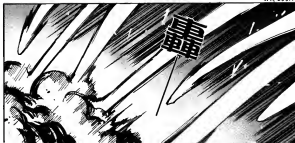

SFX: BOOM

!?

Stop??

Let's stop here.

The result is clear.

Do you know how much pressure I've borne all these years?

My peers have all been acknowledged by their dragons. A princess is supposed to be a cut above, yet the Sacred White Dragon simply refused to acknowledge me.

I waited and waited. Tried time after time.

Do you know how hard I tried all these years to get the Sacred White Dragon to acknowledge me as master?

You ask me to stop?

That's why I came here, hoping to find a way to get the Sacred White Dragon to acknowledge me. But my very first day here, the dragon acknowledged someone else as master.

How you come back seeking redress,

...Anise?

WHERE THE HELL DOES THAT LEAVE ME NOW? WHAT THE HECK WERE THOSE YEARS OF EFFORT FOR?

!?

Dancing
Dragon
Blades!

Dragon
Battle Aura;
Sixty-Six
Bursts!!

*Here,
take my
life with
you!*

SFX BAM!

LIOLA!!

**BARBALIS!
PREPARE
THE BEST
HEALING
MAXUN
IMMEDIATELY!**

**THIS GUY
IS HALFWAY
TO HELL!!**
